

Impactful insights made possible through  
minimally invasive surface sensing

# Tactile Pressure Mapping & Force Sensing Solutions

## Tekscan by the Numbers

145

Standard Sensor  
Inventory

30,000

Maximum pressure  
rating (206 MPa)

40

Years  
in Business

474

Custom sensors designed to meet  
specific customer applications

333

Address of our brand new manufacturing  
facility and home of TactileLab
